Welcome to Trust Drum Circles

Since 2022, Trust Drum Circles has brought people together through research-informed group drumming and music-based wellness programs. Guided by current research on rhythm, connection, and well-being, our experiences support stress relief, emotional balance, and meaningful social connection from Northeast Ohio to communities in Cameroon, Kenya, and Tanzania.

With your sponsorship, we can keep these programs free or low-cost, inclusive, and accessible to everyone in need. By partnering with schools, disability networks, mental health providers, justice-involved organizations, and local community groups, we turn research-informed practices into joyful, high-impact experiences that foster connection, growth, and lasting community impact.

Your support removes barriers, amplifies healing through rhythm, and helps communities thrive. By joining Trust Drum Circles, you help empower growth, build resilience, and enrich communities of all ages and abilities. Step into the rhythm - sponsor connection, wellness, and community impact today!
